# Mentor Leader Role & Boundaries

- One-on-one meetings
  - In public
  - Or at least one other adult present (like if bringing to house)
  - Never male/female one-on-one time (cultural concerns)
- Communicate location and return time to Parent or Older Sibling
- If possible, take a picture of your time together to send or show to the Parent/Family upon your return
- Gift Giving Protocol - seek to empower!

# SOCIAL MEDIA USE as a Mentor Leader

- We want to protect you!
- **If you are communicatingg with a child of the opposite sex for logistical or transportation reasons, PLEASE ALWAYS include a JCLC Staff member in that message.**
- Please only share pictures of your Apprentice on social media if you have permission from him/her and his/her parent, and don't use his/her name.
- Remember - the kids are watching what YOU post and who you follow.

**This Month's P.A.R.K.S. Focus:**
